

Welcome to Montgomery Community Church Preschool

CIRCLE TIME

Our opening circle is an integral time of our day. We discuss the calendar, share stories and learn about the weather.

CENTERS

Each day we plan activities for your child to do at centers around the room. Concepts and curriculum are introduced at centers in each classroom.

Through a multi-sensory approach to learning, your preschooler will be exposed to a variety of educational activities in an environment which will encourage a continual interest in learning.

With these objectives in mind, we have developed a curriculum which is based on the Ohio Early Learning and Development Standards and The Creative Curriculum for preschool education as well as our own educational philosophy.

Daily objectives are planned by the teachers, implementing the curriculum designed by the staff and Director.

Lunch Bunch

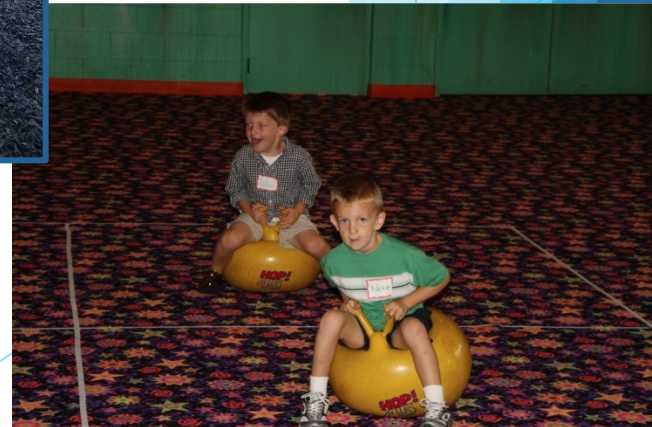

During lunch bunch, students bring their lunch and have the opportunity for extra enrichment activities and gross motor play.

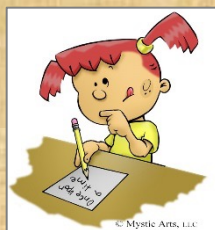

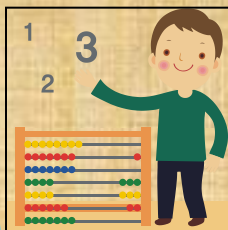

GROSS MOTOR PLAY

Our daily routine consists of outdoor or indoor recess.

Children are presented with numerous opportunities to explore reading, math, language, and science.

CHAPEL

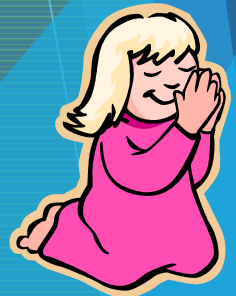

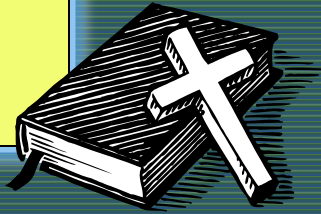

Christian values are an important part of our Preschool. Each class attends Chapel once a week where they have music and are introduced to Bible stories.

Mrs. Darci

Prayer is a
part of our
daily routine.

FIELD TRIPS

Our 4's and young 5's classes have off-site field trips.
